Dear Valued Patient,

It is with mixed emotions that I am announcing my retirement from Mid-South Dermatology, effective January 15, 2021. It has been a great pleasure providing dermatologic care over the past 40 years.

As of January 15, 2021, the ownership of Mid-South Dermatology is transferred to Dr. Malika Tuli. I am pleased that you have the continued expertise of Dr. Tuli, Loree Easley, PA-C, Allison King, NP-C, Zoe Baskin FNP, Caitlin Woodruff, PA-C and Jeannie Lewis, PA-C to take care of your dermatology needs. If you plan to continue with our office, your records will be available to one of our other providers.

Of course, you may seek medical care from another dermatologist if you like. Your medical records are confidential, and a copy can be transferred to another doctor or released to you or another designated person with your permission. If you would like your records to be sent to you, we will be happy to send them to you through our secure patient portal or you may stop by the office to pick them up. If you choose to see a different physician, please contact the office and request an authorization form so we may send a copy of your records to your new doctor.

I have greatly valued our relationship and thank you for your loyalty over the years. Best wishes for your future health.

Regards,

James E. Turner MD PhD
